Subject: USSN 10/699,011 - 10014648-1 - Examiner's Amendment

Dear Mr. Krasnic,

This is in response to our telephone conversation today about typographical errors in my Amendment filed 6/1/2010. Specifically, the claim dependencies for claims 19-23 are missing. The proper claim dependencies for these claims should be:

Claim 19: on claim 18;
Claim 20: on claim 19;
Claim 21: on claim 18;
Claim 22: on claim 18; and
Claim 23: on claim 18.

I understand you will make these changes by an Examiner's Amendment. Thank you for bringing these errors to our attention.

Dave Collins
